Subject: FW: Gold King Mine Response Guidance

All,

I wanted to recap the call we had with OSWER and the resource discussion afterwards and make sure we are on the same page...or at least getting closer to the same page.

Moving forward...

- Home Regions will cover base pay for anyone deployed or working on the Gold King Mine Response. Additional payroll dollars are being requested.
- Requesting Regions (i.e. R8 requesting support from R9) will pay OT costs associated with Response. Additional OT payroll dollars are being requested.
- Travel should be covered by the home office and if they are unable to cover the costs Requesting Region will assist. Additional Travel dollars are being requested.
- SSID – OSWER guidance is to use a single SSID, however, this may not be possible if SEMS does not allow. Checking on this...
- R6, 8 and 9 will breakout payroll vs OT to submit to HQ asap.
- OSWER/OCFO will be distributing guidance tomorrow am.
- OSWER/OCFO will be looking at all DC6 funds Agency-wide to assist.

Thank you

Christine Portillos
